To Do Your
Christmas Shopping
Early!*

COME to Uhler's for your Christmas Gifts . . . now! That's the advice a wise and knowing Santa Claus is handing out this year. Because every gift you buy early, instead of later on, eases the strain on your nerves, as well as on store services. Every package you carry home eases the strain on the nation's gas, and tire supply. And every package you mail, or express, now, instead of later, eases the strain on the heavily burdened Post and Express offices. And right now we do have a wonderful assortment of Christmas gifts—so start your shopping tomorrow.

CANYON TOURISTS**

That's Proposal Made to
Aeronautics Board.

By International News Service
WASHINGTON—Post-war vacationers visiting the Grand Canyon may do their sight-seeing in helicopters instead of on the traditional donkey, it was learned today.

On file at the Civil Aeronautics board are two applications from individuals seeking to establish and operate a sight-seeing service for passengers from the Grand Canyon National Park, Arizona. The proposed route extends from Grand Canyon National Park to Rainbow bridge, National Monument, Utah, to Canyon De Chelly, National Monument, Ariz., and returns to Grand Canyon.

One application, in addition, proposes to operate hourly elevator service to the bottom of Grand Canyon in the Bright Angel vicinity.

Both applicants pointed out that the United States government has spent a lot of money to maintain these scenic places, yet no suitable and adequate transportation has ever been provided for the convenience of the public.

Generally, both state that the Grand Canyon cannot be viewed properly by tourists, who come from all over the world, because of the nature of the terrain and the lack of suitable and convenient transportation facilities.

One applicant, of the first World War, is a resident of Michigan. The other, a resident of Arizona, is on active duty as a naval aviator. One half of all the atmosphere is below 18,000 feet altitude.

THE Forest Lane Presbyterian Church, Marion, was the scene of Miss Blanche Conner's wedding yesterday afternoon. Rev. R. C. Conner of 150 South Main, and Mr. and Mrs. John C. Noyes of 126 Center, officiated at the service. The bride, a daughter of Mr. and Mrs. John C. Noyes, was accompanied by her maid of honor and only attendant, Mrs. John C. Noyes. The best man for Mr. Dixon, who is the son of Mr. and Mrs. John C. Noyes, was his brother, Mr. John C. Noyes.

For the ceremony the bride wore a blue crepe, fashioned with a wide neck and long sleeves. Her mother-in-law's han-shaped hat of the same material had a small veil and she wore a purple fur-trimmed coat. The maid of honor's dress, to be worn at the wedding, was a light-colored gown of crepe in a tulipan shade, and was trimmed in gold, and she wore a Juliet cap of white crepe.

We Want You To UNDERSTAND These Points

6. Facts About the Amount of American Food Wasted Every Year. The amount of food waste that occurs every day on farms, in victory gardens, in the distribution of food, in grocery stores, in eating places and in homes has been little publicized. It is estimated that 20 to 30% of food produced in the United States every year is lost or wasted! Although some of this waste is unavoidable, a great deal of it can be prevented!

7. Reasons Why Adjustments Have Become a War-time Necessity. The supply of farm manpower, amount of food raised in victory gardens, the amount canned at home are variables affecting the picture. So is the progress of the war. The number of men fighting abroad... number of food... sunk... number of liberated peoples freed... the Axis yoke affect the requirements on American food. Therefore, every victory which is this war nearer to its end will mean that we have to tighten our belts a little further and adjust to new food habits and conditions.

103 Violent Deaths Counted Over Holiday

By THE ASSOCIATED PRESS

America today counted 103 violent deaths on Thanksgiving day, with travel restrictions and other war-time factors credited with holding traffic fatalities down to 11 throughout the nation.

The national safety council had estimated that, on Nov. 26, 1942, when conditions were generally the same, 70 persons would meet death in automobile accidents.

Final Decision DEWEY OR M'ARTHUR in Russian War FAVERED BY FARMERS Appears Near

By THE ASSOCIATED PRESS

The farmers apparently have given their verdict to Dewey, counter-officer Gen. Douglas MacArthur or Gen. George C. Marshall, of New York, over President Roosevelt's decision to postpone elections in the Soviet Union, according to capturing German news reports.

Gen. Marshall, a former cavalryman and director of the War War II, has been succeeded by Gen. George C. Marshall.

The poll showed Wendell Willkie, of Farmington, Vt., a 50-50 chance of becoming a majority if the election were held now, according to the December "Farmer Spectator," a monthly publication by the National Farmers' Union.

The President was given relatively strong support by farmers.

While the R.A.F. once more was giving the lead to Hermann Goering, who promised the Germans victory in the war no allied forces ever would fall on Berlin, the

To Rebuild Railway Crossings

Construction at Four Major Street Points Planned by New York Central.

The Central Railroad Oak street crossings will be reconstructed with granite. Mr. Misher said the cost of complaints levied against him recently, when he arrested men working on laying of rails at the Union station on Sept. 12, since then the eastbound New York Central track from the station up to North Prospect street has been replaced. Within four weeks all existing rails from North Prospect street to North State street will be replaced. Only a temporary set of rails in temperate will do the work, he said.

Laid in 1935

Rails and ties which are now being replaced were installed in 1935.

This is the second large-scale crossing improvement program in Marion. In recent months Sometime ago the Pennsylvania railroad completed the resurfacing of its crossing on West Center street, and on Route 23, just north of the city limits.

Chuck Fazio, Harding Tackle, Lands Place on All-Ohio Football Team

Beach, Marion Center, Bucyrus Here Are INS Grid Selections
Ashland and Shelby Players Given Honorable Mention.

By SAM FOGG,
 International News Service Sports Writer

CLEVELAND, Nov. 26.—The traditional mid-winter power and endurance which annually carry Ohio's big school stars to induction into the college gridiron are in full evidence in the 1943 International News Service All-Ohio high school football selections, made by sports writers from every corner of the state.

A majority of the seniors on the selected squad already have become the object of attention from the collegiate football talent scouts who each year turn to "the All-Ohio" for signs of future gridiron stardom. Among those in the top three players chosen for the All-Ohio team are two defensive backs—two safety receivers and one free safety.

On the first eleven, composed of 10 seniors and a junior, Marion Beach, Marion, and Newark, both unrepresented, are often in the lead in an elusive pattern of a half dozen players and selection. The Tigers placed three symbols of a triumphant outfit on the first team list and two stars of the prolific scoring Newark team gained top recognition.

A lack of outstanding ends was noticeable in the returns from every corner of the state but at every other position, the distances between first, second and third team occupants are finely of the strong Steeler attack and was formed by sports writers as the best seen in the Lake Erie abundance throughout the season sector in the last two divisions.

Brilliant end backs were in the center, the centers predominated and Roy Mattern of a powerful Martins Ferry wall took the nod. Mattern was comparable to Fred Negus, Michigan's line ace from recognition had he finished the season, was recommended for All-Ohio in absentia. He is Bob Puglisi who entered the service instead of playing his senior year at Ashland and landed a berth on the Great Lakes squad.

The four backs selected for first team honors are rated among the best in recent scholastic history. The most published was Dick Flanagan, Sidney's high scoring ace who deserved every inch of the publicity. His services included carrying the ball 80

feet, 10 more than the 1942 International News

selections, and the total yardage was 1,000 yards.

Honorable Mention

Ends—Dave Schmidt, Zanesville; Harley Jones, Shelby; Dick Goller, Belpointe; Notterman, Belletoni; Jack Schulte, Marion City; Jack Shuck, Bryan.

Tackles—Ullman, Zanesville; S. Winters, East Liverpool; Burne, Port Clinton; Western Wilts., Ashland; Joseph Glassner, Greenfield; McClain.

Guards—Forest Thomas, Van Wert; Jim Pace, Montpelier; Steve Yeagle, Portsmouth; Bob Miller, Steubenville.

Centers—William Wilcoxon, Coshocton; Elvin Beach, Marion; Metre Albin, Columbus West; Floyd Azar, Akron West; Ben Wilson, Dover; Bob Williams, Massillon.

Backs—Dale Donno, Columbus North; Jim Linsky, Lakewood; Mike Zukoff, Mansfield; Jack Lininger, Van Wert; Bob Dove, Ashland; Curley Bratton, Lima South; George Spencer, Bexley; Fred Morrison, Upper Arlington; Bob Ed Harris, New Philadelphia; William Rankin, Springfield Central; Mike Rejina, Canton Lincoln; Bill Biel, Canton Lehman; Don Bania, Cleveland Lincoln.

Chuck Fazio, Marion captain, and R. C. Arington of Massillon were the best of a good crop of tacklers. Fazio, big and fast and tough, was repeatedly listed as a great performer. Arington clinched a brilliant year by leading the Massillon line play which defeated Canton McKinley, 21-0.

His teammate, Tom Jasinski, was the outstanding wingman of the year and another Stark county end, Gordon Cook of Carlton McKinley, ranked second. Jasinski was a rangy, adept pass receiver, a strong defensive star and an able punter. Cook, the only junior named, developed rapidly all season and was outstanding at the conclusion of the year.

Tiny Bill Hamborg, Navy's pig-skin mortar, has tossed 79 aerials in the Middle's eight games this fall and 31 of them have reached their mark for 503 yards. He is conceded to be the best passer in tomorrow's semi-secret clash.

But the Army statistics are the more imposing. With Glenn Davis and Tom Lombardo doing the flinging, the redots tried the air 122 times in nine nine games and 63 were completed for 914 yards.

That's an average of 101.6 yards, a game through the air while Hamborg, who does virtually all the Navy's fist-stung tossing, has a mean of 61 yards a game.

NICKOLS DEFEATS SHIPIRO IN ARMORY MAT EVENT

Tom Kline Downs Pat Kelly in 45-minute Event.

Morris Shapiro, the New York City heavyweight star whose chief claim to fame in Armory wrestling is a recent victory over Farmer Jones, was defeated by Jackie Nichols in the two-hour main-go Thanksgiving night match in the Armory.

The Goliath star won the opening fall in 21 minutes with a reverse step over toe hold, but the Florida star came back strong to cap the second fall and also the decisive third one. A simple body press turned the trick in eleven minutes for the second fall.

parties. This ended third period score-production. Swisher started up a successful total try to start the fourth quarter. A pair of goals were then scored by Lawler and a free throw by Norrie followed. Bob Tobin made a point shot and Swisher raised a basket attempt for the hosts. Johnny Gray, coming in as a sub added another basket to the steady increasing St. Mary total. Burke of Cardington closed game scoring as he swiped a side shot. St. Mary and Cardington each rated 198 in free throw attempts. The Irish sank six of twelve and the Marrow counted three of

four. The Irish won 201 to 198. Japs Say Allied Bombers Blast City on Formosa

By The Associated Press

NEW YORK, Nov. 26.—Altered planes struck within about 60 miles of the Japanese homeland yesterday when approximately 20 planes raided Shimoda, port city on the northwest coast of Formosa, the Tokyo radio said today.

The raid, unconfirmed by any allied source, presumably was launched from air bases within China. The broadcast claimed three raiders were shot down by Japanese naval fighters.

The island, wrested from the Chinese in 1895, lies 90 miles off the east coast of China, some 200 miles north of the Philippines Islands, and only a little more than 650 miles southwest of Kyushu, southernmost island in the Japanese home group.

Farm Bureau Elects Officers at Hepburn

Special to The Star

HEPBURN—The Goshen town Farm Bureau met Wednesday. Officers elected are: president, L. F. Fidmore; vice president, John Greenstreet; secretary, Mrs. John Greenstreet; trustees, E. A. Brent, Calvin Hellman, W. F. Ramey; legislative committee, B. E. McCullough and W. F. Ramey; economic outlook, Calvin Hellman; pianist, Betty Ludwig.

Hobby night was the theme for the Hardin Central P.T.A. meeting held Friday night. Prizes were awarded to Miss Evelyn Bates, Mrs. Parker Williams, Miss Doris Rogers and Mrs. Earl Rogers. Following the meeting Mr. and Mrs. Tom Thew of Moraine showed a number of moving pictures. Included in the pictures were a number showing the Hardin Central building, faculty and many activities around the building.
